## Experience

### Recording Sound Engineer | UM Recording Services | [Spring 2019, Fall 2019, Spring 2020](#)

Recorded University of Miami's Frost School of Music Classical, Jazz, and Contemporary ensembles performances and required setting up, mixing, and editing the mix for CDs.

### Artist | 'Cane Records | [Spring 2018, Spring 2020](#)

'Cane Records is a student run recording label at the University of Miami. I was a featured artist on the album my freshman and junior year; during my freshman year I produced and performed the most listened track on the album: <https://soundcloud.com/laceyp-2/another-late-night>

### Stage Crew | The Egg | [Summer 2018, 2019](#)

Set up live music events for the venue

### Songwriter | Cat 5 Music | [2018 – 2019](#)

Cat 5 is a songwriting collective that selects songwriters and promotes their music. They host artist showcases and songwriting events for collaboration and critiques. See the titles for 'L A C E' in the on the Cat 5 soundcloud page: <https://soundcloud.com/cat-5-music/sets/hip-hop>

### Computer Lab Monitor | UM Music Engineering Department | [Fall 2017 – Spring 2018](#)

Oversaw equipment use in computer lab and created weekly newsletter for students

### Intern | High Peaks Sound | [Summer 2017](#)

Worked as set-up crew and Audio Engineer for live music events and music festivals.

### Intern | 88.3 The Saint WVCR | [Spring 2017](#)

Worked as an Audio Engineer, Program Director, and a Radio Show Host.

### Student | Independent Study Program | [2016 – 2017 School Year](#)

Took two online courses through Berklee College of Music: Vocal Recording Technology; Introduction to Ableton Live

## Community Service

### St. Vincent de Paul Food Pantry | [Summer 2019](#)

Assisted clients and stocked shelves three days a week

### Regional Food Bank | [2013 – 2017](#)

Sorted donations into specific groups and boxed them up for distribution to food pantries.

### Billy Grey Ride and Walk for Research | [2013 – 2017](#)

Set up stations for runners, walkers, and bikers to get water.

### Albany Academy Lower School | [2013 – 2017](#)

Mentored second graders by leading them in community service activities.
